MSHSAA RULES FOR JAMBOREE

Basketball Pre-Season Jamboree:

To allow Missouri high school boys and girls basketball teams an opportunity to scrimmage other schools prior to their first regular season contest. Each school will be allowed one scrimmage date consisting of play against no less than two other schools and no more than three other schools. The pre-season jamboree may only be conducted after your team has completed nine conditioning practices and before your first contest.

These scrimmage sessions will allow: 1) officials training; 2) player evaluations in a game-type setting; and 3) game conditioning.

Each school will play a maximum of 48 minutes. Team scoring and team fouls will be kept on the scoreboard, and will be cleared after each 8:00 session.

Personal fouls will not accumulate or be tallied. Individual player scoring will not be recorded.

Two time-outs per team per session; this will allow teaching and instruction to take place. Refer to MSHSAA By-Law 3.16.7 and Board Policy Preseason Jamborees – Team Sports.
