

Pre-K - 2nd Grade At-Home Literacy Strategies

See underlined with each activity what literacy skill(s) it focuses on.

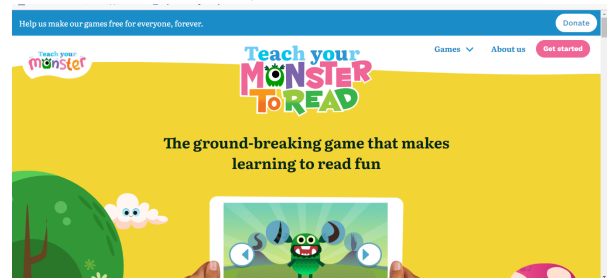

Visit [Storyline Online](#) to enjoy a good story. Ask your child questions about the story.

Comprehension

Visit [Teach Your Monster to Read](#) to learn reading skills in a fun game setting.

Sound Symbol, Phonics, Word Recognition, Sentence Fluency

Use index cards to make your own letter or word flash cards! Your child can help make them!

Letter Naming Fluency, Sound Symbol, Phonics, Word Recognition, Spelling

Go on a hunt in your home! Finger trace letters/words that you find! Great for fine motor practice!

Letter Naming Fluency, Word Recognition, Spelling

Practice saying/singing nursery rhymes together (ex. Twinkle Little Star, Jack and Jill).

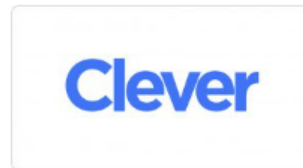

Phonological/Phonemic Awareness

Thank you for working with us on helping all our students reach their full potential!

The following online learning resources must be accessed via your student's school Gmail account through Clever. The link for Clever is located on the [school website-online resources](#).

Visit Reading Eggs for your child to have fun and practice skills involving *Phonemic Awareness, Phonics, Vocabulary, Reading Comprehension, and Fluency*.

Visit IReady (Reading) for your child to access lessons that are adapted to their level. *Phonological Awareness, Word Recognition, Phonics, and Vocabulary/Reading Comprehension* skills are addressed through this resource.

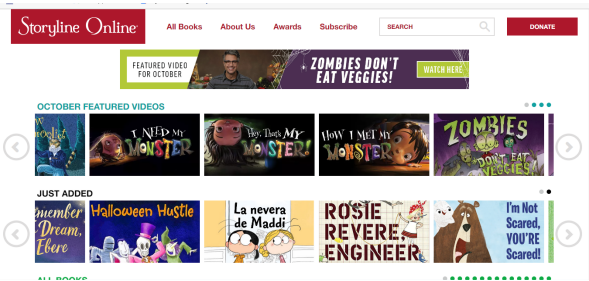

3rd - 6th Grade At-Home Literacy Strategies

See underlined with each activity what literacy skill(s) it focuses on.

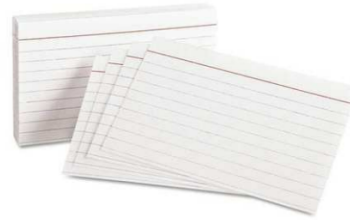

Visit [Storyline Online](https://www.storylineonline.net) to enjoy a good story. Ask your child questions about the story.

Comprehension

Use index cards to make your own word flash cards! Your child can help make them!

Phonics, Word Recognition, Spelling

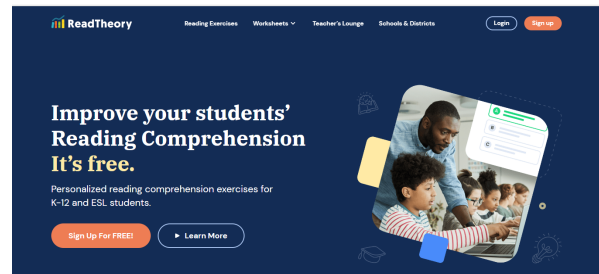

Find the lyrics for your child's favorite songs. Read them and ask your child when they hear words that rhyme or have the same sounds (many songs do!).

Phonological/Phonemic Awareness

Visit [ReadTheory.org](https://www.readtheory.org) for short passages with questions. First try the 8 question pretest so the program can offer texts closer to your child's level.
