I believe the first week of school is my favorite week! I always enjoy watching teachers, students, and staff appreciate each other's company and exuding excitement about learning. We pulled together and worked through internet issues, which led to phone issues, and typical first week logistical items. I was impressed with the amount of respect our students demonstrated this past week. Every JH/HS student gave me a fist bump, looked me in the eyes, and told me, "Good morning," when they came into school. Every elementary student said, "Please," and, "Thank you," when I offered ketchup at lunch.

The second week of school was the week of firsts for our district! On Friday, we had our first 7th through 12th grade all-school assembly. Later that night, the football team achieved our first back-to-back win in school history! It is such a privilege to be a small part of this amazing journey with our students, teachers, coaches, and parents!

Sincerely,
Dr. Jeff Jennewein
Superintendent

A motion was made and seconded to give Dr. Jennewein authorization to act on the district financially. A motion was made and seconded to revisit ballot language at the August board meeting. 'Twas the Night Before Football

Congratulations to Chris Seaver and the Russellville Indians Varsity football team! Seaver's pick 6 during the August 26th home opener win against Missouri Military Academy was chosen as a nominee for KRCG's Football Friday Night Play of the Week!

'Twas the Night Before Football

By Anne Rulo

'Twas the night before football
And all through the town
The people were dreaming.
There wasn't a sound.

The players were sleeping.
Coaches snug in their beds.
The thought of that field
Lingering on in their heads

Then o'er the horizon
The sun busted high.
Wake up everybody!
It happens tonight!

It's game day, Indians!
Come one and come all!
Fill the stands,
Fill concessions,
Fill the air with your call!

To bring on those players
Armor strong and cleats loud
And the coaches who love them,
Their heads held proud

Feel it all around you.
What else could it be?!
See y'all at kickoff!
It's GAME TIME BABY!!!

7th Grade Drama Class

The 7th grade students this year will get to enjoy a drama class. Mr. Mustion is teaching the class. In the class, the students have been working on writing and acting in skits. The students started day 1 by having to get up in front of everyone to perform. Going into the 4th week, they are becoming more and more comfortable with acting. During the course, the students will learn theater vocabulary, how to read a stage play, and the different styles of plays.
