The strategies will (mark all that apply)

- Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

Student performance data will be routinely collected and analyzed by both individual teachers and data teams to monitor student progress and to evaluate the effectiveness of instructional strategies and make necessary adjustments to instruction. Teachers have worked to create a viable curriculum that is aligned with the Missouri Learning Standards, they are consistently monitoring their practices to ensure that best practices are being implemented.

- Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

The Cole County R-1 School District will provide time, resources and support to allow for collaboration of teachers through the PLC process. This process will allow teachers to monitor and guide the instructional practices of the district. During the early release time, teachers will work to increase critical thinking strategies in all classes. Annually review the course curriculum to ensure rigor. Teachers have participated in book studies that have provided them with strategies that will strengthen our overall academic program.

- Increase the amount of learning time

- Extended school year
- Before-and/or after-school programs
- Summer program

- Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the Missouri Learning Standards

Description of how strategy/strategies will address

The Cole County R-1 School District strives to meet the needs of all students. At times some students are at risk of not meeting the Missouri Learning Standards, these are some of the strategies that are in place to meet student needs. RTI teams will analyze the MAP data to determine students who are at the below basic range and provide them with the supplemental instruction necessary to move them to the basic or higher range. RTI teams will utilize classroom formative assessment data cycles to monitor student needs. Student performance data will be routinely collected and analyzed by both individual teachers and data teams to monitor student progress and to evaluate the effectiveness of instructional strategies and make necessary adjustments to instruction.
